

THE JAGUAR F-TYPE

DESIGNED TO THRILL

Dramatic proportions define the stunning Jaguar F-TYPE. Its eye-catching contours are enhanced by graceful, slimline LED headlights that frame the bold grille. Inside, a driver-focused configurable digital instrument panel complements details like embossed headrests and engraved metallic badging. And an available 575 hp 5.0-litre Supercharged V8 under the muscular hood ensures the F-TYPE is as gratifying to drive as it is to admire. Visceral performance meets unmistakable Jaguar style.
